

Teradata Database in the Cloud - Education Matrix

X = Suggested Course Experience Level

Product	Course Numbers			Course Name	Delivery Method	Prior Teradata Database Experience	New to Teradata
	Americas	EMEA	Asia Pacific				
Teradata Database	26438	26438	26438	Introduction to the Teradata Database	Self-paced		X
	50584	50584	50584	Teradata SQL Extensions	Self-paced		X
	25968	40025	29931	Teradata Physical Database Design	Instructor-led		X
	25969	40026	29932	Teradata Physical Database Tuning	Instructor-led		X
	25970	40032	29933	Teradata Warehouse Administration	Instructor-led		X
	25971	40032	29934	Teradata Warehouse Management*	Instructor-led		X
QueryGrid	55068	55068	55068	Querying with QueryGrid: Teradata-to-Hadoop and Teradata-to-Teradata	Self-paced	X	X
Viewpoint	45704	45704	45704	Introduction to Teradata Viewpoint	Self-paced		X
	50178	50178	50178	Introduction to TASM/Workload Management Portlets (SLES11)	Self-paced		X
Data Mover	54367	54367	54367	Unity Data Mover 15.10 Overview	Self-paced	X	X
	54672	54672	54672	Automating Disaster Recovery Synchronization using Unity Data Mover	Self-paced	X	X
Ecosystem Manager	51540	51540	51540	Unity Ecosystem Manager – Advanced Monitoring and Alerting for your UDA	Self-paced	X	X
Teradata Tools and Utilities	35057	35057	35057	Teradata Parallel Transporter	Instructor-led or self-paced**		X
	55069	55069	55069	Teradata Application Utilities	Instructor-led or self-paced**		X
