Maximize Competitive Advantage

Your Teradata Aster Certification will show that you have what it takes to:

- acquire, prepare, and analyze data.
- create data visualizations.
- understand the value and use cases for path, text, graph and predictive analytical functions.
- use and develop custom functions to operationalize insights in your organization's data.

Registration

Schedule your Teradata exams at a Pearson VUE Testing Center. Create an account and complete exam registrations at Pearsonvue.com/Teradata. Pearson VUE's customer service options can be found at Pearsonvue.com/Teradata/contact.

Stay Engaged with Aster Community

A community of like-minded people who can help find answers to your data analytics questions, the Teradata Aster Community is free and available online. With videos and courses added regularly, the resources and opportunities to learn are practically endless. Visit Aster-Community.Teradata.com
