

Unlimited Subscription

Designed for the avid learner who wants to access all courses that Teradata University has to offer, this subscription is ideal.

The Unlimited subscription includes our library of over 250 on-demand, self-paced courses, including hands-on practice. Enjoy over 500 hours of training on subjects from data science principles through database management.

Unlimited subscriptions are available at the individual or Enterprise level. At the Enterprise level, there is no limit to the number of learners or course hours for your organization. Tiered pricing is offered for multiple individual subscriptions.

Enterprise Unlimited subscriptions include:

- 24 Teradata Certification Exam Vouchers
- 24 Annual Office Hours with our Technical Experts

Visit the **Teradata University** guest catalog to explore all on-demand content.
